Math-ART-matics (Ages 7 - 12) **CIT Program** (Ages 13 - 14)
COUNSELOR APPRENTICE (Ages 14 - 15)

When: Music Mayhem is offered for ONE week sessions. All other programs offered in three, two-week sessions. See Registration form for dates. One week options available. Please call GCA office.

Where: All of the ARTWORKS! Camp Programs are located at the Groton School, Rte. 110/111, Farmers Row, Groton, MA.

What: JR. ARTWORKS: Campers may choose mornings OR afternoons OR both. AM campers will have swim lessons each morning before lunch and all juniors have a short rehearsal after lunch before AM campers go home. PM is similar to Am routine.

Sr. ARTWORKS!: Mornings, campers participate in music, dance, art & theater. Afternoons, campers choose theatre, art, Music Mayhem, dance or tennis as a "major" concentration, ending in an Art/Theatre presentation for parents the last day of camp.

TENNIS: Will spend 2 hours each morning and afternoon learning new tennis skills, and honing their game. They will enjoy a morning swim before lunch.

MUSIC MAYHEM: Campers bring their instrument to camp and learn to collaborate with other instruments, rehearsing for a final concert.

Math-ART-matics: String Art, tessellations, pentagons in Nature and more. Hands on projects encourage math skills while learning different art forms.

Counselor In Training (CIT): Mornings are spent helping campers and learning leadership skills. Afternoons will be spent preparing a dramatic presentation for the local community. **THIS IS A PROGRAM FOR TEENS THAT WANT TO WORK TOWARD BEING A COUNSELOR.**

COUNSELOR APPRENTICE: Teens build from their CIT training. They will create and present activities to campers. **Applicant will have completed two CIT sessions, and must apply to this program.**

ALL CAMPERS: Enjoy "rec time" after lunch where a variety of games/tennis are played, as well as daily use of the gorgeous swimming pool located on the Groton School campus, each afternoon following majors.

Why: To promote the Arts, and because it's F-U-N!
